

## Information for our customers

### Welcome to EVK!

As an independent insurance broker we are – in Germany and worldwide – specialists for plants using environmentally friendly technologies. On the basis of sophisticated insurance terms and condition concepts, we offer you comprehensive insurance for your plants, thus providing cover in case of damage and incidents.

### Our service is your advantage!

We always put your interests at the heart of what we do. We operate independently from insurance companies and are always on your side throughout the insurance period, particularly when it comes to claims. As your first point of contact we ensure trouble-free completion and a speedy settlement.

We offer:

- Risk-related contributions
- Comprehensive insurance cover
- Special cover concepts
- Risk analysis and risk management
- Continuous updates of insurance cover
- Elaborations of insurance expertises
- Support in case of damage

### Office hours

From Monday to Thursday: 8:00 -16:30  
Fridays: 8:00 -14:00

### Quality and competence

We are member of BDVM (Bundesverband Deutscher Versicherungsmakler e.V. – Federal Association of German Insurance Brokers). To the members of BDVM only belong those insurance brokers who have demonstrated their suitability, their professional knowledge and have proved several years of experience ([www.bdvm.de](http://www.bdvm.de)).

### One-Stop

As an insurance broker we operate independently from insurance companies. We choose among more than 100 insurance companies the one which fits best for the risk to be insured. We are your first point of contact, especially in case of damage.

### Large network

We have a large network of major insurance companies worldwide with whom we work together closely. Besides every kind of basic insurance cover we can offer specialized cover for such as D&O Insurance, Cyber Insurance or Guarantee Insurance.
